ABOUT US

We are a team of practitioners (Human services, health and social care and housing welfare).

We can help you by:

- Providing general information about health and well-being
- Promote independence and prevent you needing formal services like homecare and residential care
- Offering support for Carers
- Providing information about Telecare; pendant alarms and other technology
- Providing information about equipment and adaptations for your home
- Providing information and support with accessing community groups and social activities.

We can offer all kinds of help and advice - and if we can't help we will find someone who can!
