

Wellholme Park Nursery Admissions & Additional Charges Policy

Our nursery is open to all children and their families from both the local community and surrounding areas who are registered with Family Hubs.

In accordance with Government legislation and Ofsted guidelines our nursery works within staffing ratios based on appropriate floor space within each room; this means on occasion we may not have availability for children in specific age groups.

Priority for nursery places is given to parents/children who meet the following criteria:

- Families with children already using the nursery
- Children living in the Family Hub reach area
- Children with special educational needs or disability

To discuss your childcare needs, reserve or book a place within the nursery, please contact the Nursery Manager for further information.
